Thank you so much for this wonderful boron meeting in Rennes, great arogram (a lot of interesting research for me) and so nice and positive arogram (a lot of interesting research for putting toget

I just would like to thank you again for putting together such a wonderful conference. I know that it takes tremendous effort to bring more than 150 scientists together and organize a program with parallel sessions. I congratulate you and your organizing team on pulling off an such an amazing feat.

Thank you very much for organizing such a wonderful conference. Every bit of it was enjoyable. The exciting boron chemistry, the beautiful Rennes, the excursion that took us through history, and everything else. Obviously, enormous amount of effort went in the planning and execution of the conference, that too multiple time.
